TRANSCRIPT

Hi, I'm Gary, Gary Hewins. I first met Paul when he was talking in Manchester giving a Keynote presentation. The content and the delivery and the message was so professional that I invited him to give a talk at the CIPD Northern Area Partnership Conference that runs in York every year.

Working with Paul was a pleasure. He's consistent off-stage as he is on-stage. He's always sharing really valuable wisdom and insights. So, if you're thinking of going to a presentation or organizing one, then enjoy Paul's talks and you'll still be remembering what his messages is, years later.
