

PAUL MATTHEWS

Learning & Development Expert

Author of 3 books on key Learning & Development topics

Keynote at conferences around the world and popular podcast guest

paul@paul-matthews.com or call 0330 113 3005

A highly experienced international L&D speaker who loves to challenge the status quo

When you book Paul, the result is powerful learning, powerfully delivered for your audience, whether that's in a keynote speech, a conference seminar, webinar or podcast.

Paul's on-stage presence, his no-nonsense Kiwi approach and his standing in the L&D industry make him a credible and engaging keynote speaker. Over the last 25 years, he's carried out countless talks in the UK and around the world with audiences of up to 1,000 delegates.

"I really enjoyed your seminar at World of Learning. I'd been on a course about performance-based consultancy the week before and found that I got so much more out of your 30-minute seminar than the full 2-day course!"

Rebecca Pooley, Learning Specialist, npower Business

Hot Topics

- Learning workflow solutions to achieve sustainable behaviour change
- Learning Transfer - how to make sure training stays alive after the classroom, and generates the benefits you, and your sponsor, are looking for.
- L&D strategy - there are 3 things missing from most L&D strategies, the elephants in the room: Performance Consultancy, Informal Learning, and Learning Transfer.

PRACTICAL AND INSPIRING

- Performance Consultancy - how to make sure that L&D is working on (and spending money on) the right stuff, and move on from just being order takers
- The Brand of L&D - a progressive approach that will change your brand into a trusted business partner and the relationship between your brand and 70:20:10
